Buyer understands that it is Buyer's responsibility to make all selections on or before _____ (if left blank, Buyer will be informed via phone call, email, or text by Seller or Seller's decorator of date) and further understands that if the selections have not been made by said date, that Seller may make such selections. 9. **Nonrefundable Deposits.** Buyer agrees that any request for changes or alterations ("Change Orders") to the residence will be set forth in writing and delivered to Seller. Any requested Change Order must be in writing and signed by Buyer and Seller in order to be binding. No subcontractor, workman or materialman has authority to agree on behalf of Seller to any Change Order. Buyer agrees that all Change Order requests must be presented to Seller so as to allow Seller adequate lead time to schedule the Change Orders into the normal building sequence. Seller has the right to refuse to make requested changes or alterations. Buyer agrees to pay Seller in advance of the performance of work necessitated by agreed Change Orders which will include the cost for both labor and materials and further understands that there will be no refunds, under any circumstances, of payments made by Buyer for Change Orders. Buyer further acknowledges that any work done on the home pursuant to Change Orders or additions may not increase the appraised value of the Property. Seller shall not be responsible if increases in the price of the Property due to Change Orders or additions are not reflected in the appraised value of (and resulting available loan for) the Property. In the event the Property does not appraise due to Change Orders and upgrade items, Buyer shall be responsible for producing the additional funds needed to Close.
10. **Delays.** Seller shall have no liability for any delays in construction caused by strikes, acts of God or nature, or delays directly caused by Buyer's Change Orders and/or selection of materials. The construction shall be completed in accordance with all applicable governmental regulations, ordinances and codes, and shall be in compliance with all applicable restrictions, covenants and conditions, including, without limitation, any public or private architectural controls and restrictions. If the reasonable cost of completion of the Punch List items exceeds \$5,000.00, the job shall not be deemed to be substantially complete. The Substantial Completion Date for Property is _____. If unforeseen delays have caused Seller to not meet the Substantial Completion Date, and Seller cannot complete the home within 10 days after the Substantial Completion Date, then Buyers only available action is to terminate the contract, at which point all earnest money and upgrade money will be returned to Buyer, and neither party will have any further obligations to one another.
13. **Inspection by Buyer.** Within 48 hours after Substantial Completion Date, Buyer and/or Buyer's designated inspector/representative shall completely inspect the improvements ("Improvements"). Following the inspection, Buyer shall submit a written list of matters which Buyer reasonably deems to be incomplete or defective, hereinafter referred to as the "Punch List". Subject to Seller's acceptance, Seller shall diligently attempt to complete or repair

items identified on the Punch List within prior to Closing Date. In the event Seller does not agree with Buyer's Punch List items, the parties agree to negotiate in good faith to resolve such disagreement. No changes to the Punch List may be made after its submission to Seller. If Buyer subsequently discovers any matter s/he believes incomplete or defective, Buyer may identify such defects to Seller for repair under the Builder's Limited Warranty as provided in Paragraph 16 below.

Seller agrees to correct any covered defects identified by Buyer by repair list timely submitted via Seller's website or mail during one of two allotted callback periods. The first callback period shall be ninety (90) days following Closing. The second callback period shall begin thirty (30) days prior to the one-year period ending on the first anniversary of Closing and end on the first anniversary of Closing. Seller shall deliver a copy of this warranty in written form to Buyer at Closing. Seller, at option of Buyer, shall further transfer all warranties and guaranties of manufacturers covering any of the Property which are, by their nature, transferable to Buyer. After receiving Buyer's 90 Day List via website submittal or mail, Seller will contact Buyer to schedule repairs. Repairs will take place during regular business hours Monday-Friday.
16. **Brokers Disclaimer.** It is understood and agreed that the real estate firms and real estate licensee(s) representing or assisting Seller and/or Buyer, their brokers, and the real estate firms (collectively referred to as "Brokers") do not have or assume liability for the performance or nonperformance of Seller or Buyer.
17. **Default.** Should Buyer default hereunder, the Earnest Money shall be forfeited as damages to Seller and shall be applied as a credit against Seller's damages. Seller may elect to sue, in contract or tort, for additional damages or specific performance of the Agreement, or both. Should Seller default, Buyer's Earnest Money shall be refunded to Buyer. In addition, Buyer may elect to sue, in contract or tort, for damages or specific performance of this Agreement, or both. In the event that any party hereto shall file suit for breach or enforcement of this Agreement (including suits filed after Closing which are based on or related to the Agreement), the prevailing party shall be entitled to recover all costs of such enforcement, including reasonable attorney's fees. In the event that any party exercises its right to terminate due to the default of the other pursuant to the terms of this Agreement, the terminating party retains the right to pursue any and all legal rights and remedies against the defaulting party following termination.

WIRE FRAUD WARNING**

Criminals use many methods to steal our money, even when we are buying or selling a home – particularly involving wire fund transfers. Scammers typically will send an email that APPEARS to be from your agent, broker, lender, or the closing attorney/ closing agency. Be on the lookout for:

- Phony email addresses (e.g., a slight change in the domain name), authentic-looking fake websites, phony fax numbers, texts, calls or social media messages from scammers.
- Any communication requesting information or directing you to a fake website, a criminal’s email address or a criminal’s bank account.

In preparation for closing, Buyers will often need to wire transfer funds from their personal bank to the closing attorney/closing agency. **NEVER ACCEPT WIRING INSTRUCTIONS FROM YOUR AGENT OR BROKER.** Rather, you should receive wiring instructions prior to closing from the closing attorney/closing agency or your lender. If the instructions are sent by email they should be in a secured manner. **DO NOT TRANSFER FUNDS UNTIL** you have verified the authenticity of the wiring instructions by at least one other independent means, including but not limited to the following:

- Call the phone number you used on all your prior calls (if the number came from a personally recognized or known source), or
- Call the closing attorney/ closing agency or lender after verifying their phone number from a known third party source, such as the entity’s official website and/or public directory assistance (do not take the phone number directly from the wiring instruction form you received), or
- Make a personal visit to their office at the address you previously met with them.

If you send wiring instructions by email or any electronic means to anyone at your bank or other financial institution in preparation for closing, DO NOT TRANSFER ANY FUNDS until after you verify that the correct instructions were received by a known representative at your financial institution. Also, it is important to confirm with the financial institution that the wire instructions ARE NOT TO BE SUBSTITUTED WITHOUT YOUR PRIOR CONSENT. Any wiring instructions sent should be sent in a secured manner.

Be especially aware of any request to change any of the original wiring/money transfer information, change in the person you have been working with on the transaction, or a subtle difference in their behavior, speech, or grammar. These are some signs of a potential scam. Wiring instructions for closing attorneys, title companies and lenders rarely if ever change, so any request to change this information should be handled with caution.

If you suspect you may be a victim of wire fraud or that you may have received suspicious phone calls, emails, text messages, faxes, social media messages, emails from a fake address, a change in contact person at your bank or mortgage company, or changes to wire transfer or financing institutions:

- IMMEDIATELY call your bank and/or mortgage company at the phone number you used in all prior calls.
- Then, call your agent at the phone number you used in all prior calls.

ADDENDUM 5 CONSTRUCTION POLICY

Congratulations on the purchase of your new home! We would like to thank you for choosing one of Smithbilt's communities. We are providing you our Construction Policy as a guide to our procedures throughout the construction process. Smithbilt's decisions and drawings take precedent in guiding the construction of each home. All construction plans are the property of Smithbilt and are not available for distribution. Installation of materials and all construction procedures must be furnished and installed by Smithbilt. Structural changes are limited and must be addressed before your real estate agent presents the sales contract to Smithbilt. Approved changes will be priced accordingly.

At no point during construction can any job site superintendents nor field employees discuss or negotiate construction procedures with buyers. Smithbilt's Design Coordinator will contact you to schedule an appointment once we have received your Construction Policy acknowledgement. All interior and exterior design selections have been pre-selected for all homes. **There comes a time in the construction process when design selections cannot be changed.** Therefore, appointments must be scheduled in a timely manner and all available options and upgrades must be selected at this time, delays could extend your closing date.

Design Center

Smithbilt's Design Center is located at 244 N. Peters Road, Knoxville, TN 37923. The Design Center is open Monday-Friday, 8am-4pm by APPOINTMENT ONLY. To request a meeting date and time with the Designer, please visit: <http://www.smithbilthomes.com/homeowners/design-center>. Open House is held at the Design Center Sunday 2-5pm.

Upgrades

SMITHBILT REQUIRES PREPAYMENT ON ALL SELECTED UPGRADES. Selection and prepayment of upgrades must be received prior to ordering. If you delay in making your selections and/or your prepayment, your closing date may need to be extended or the pre-selected items will be installed. Voiding the sales contract does not release the buyer from the responsibility of payment for upgraded selections. Smithbilt reserves the right to deny any upgrade requests.

SMITHBILT OFFERS TWO OPTIONS FOR PAYMENT:

ADDENDUM - Cost of upgraded options to be added to your loan amount. You must immediately contact your mortgage company and obtain approval for the amount of the upgraded options. If the overage is approved, a check for the full amount must be received before the items will be ordered. This check will be returned to you after the closing. If the overage is not approved and you still want to include the options in your home, you can choose the invoice option. Your check will be cashed on the day of closing for invoiced overages. **If you void the sales contract, the check will be cashed for payment of the overages.**

INVOICE - A check for the full amount must be received prior to upgrade items being ordered.

The payment for any overages, whether by invoice or addendum, is not a deposit and will never be construed as such. The cost of upgraded items does not amend the sales contract in relation to real estate commission based on the sales price.

NEW HOME CONSTRUCTION OPTIONS

The project coordinator will oversee your home along with the site superintendent, once you have met with the Design Coordinator and selected all options and upgrades. After meeting with the Design Coordinator all information, questions, or requests for changes will go through the Project Coordinator, via Smithbilt Website: <http://www.smithbilthomes.com/homeowners/future-homeowners/ask-your-builder-a-question/>

If the house is in an early framing stage, you may mark where your phone and cable are to be located with a large magic marker on the wall studs. Construction moves swiftly. You will not be notified when the electrician is

installing the lines. If new locations are not marked, the electrician will install the standards. Changes will be at your expense.

Standard installation is one phone line and one cable outlet in the family room, bedrooms and bonus room. There is a charge for each additional location.

Limited One-Year Builder’s Warranty

Smithbilt is providing a copy of the Limited One-Year Builder’s Warranty with this Construction Policy. In addition to quality craftsmanship and materials, we provide two callbacks during the one-year warranty period for construction and material defects. **Only items listed in the warranty booklet will be covered.** The first callback should be scheduled 90 days after closing. The second callback should be scheduled one year after closing. Please submit your 90 Day List and Year End List via our website: <http://www.smithbilthomes.com/homeowners/warranty-request/> Once the list(s) are received, you will be contacted to schedule repairs.

Walk-thru

When your home is under construction, there are many different stages until we reach the final finished project. Many items may appear to go unnoticed. A specialized crew will touch up and fine-tune your home before the walk-thru is scheduled. A Southland Realtors representative will provide access to the home for your scheduled walk-thru. The earliest date the “walk-thru” can occur is one calendar day after the Substantial Completion Date of _____. Any and all items needing to be addressed must be listed on the Smithbilt walk-thru form that will be provided or you can find a copy of the walk-thru form on our website: <http://www.smithbilthomes.com/wp-content/uploads/FINAL-Pre-Closing-Inspection.pdf> . Items listed on any other forms will not precede Smithbilt’s form and will not alter the original contract. Please leave your list on the kitchen counter if any items are found.

Access

You must contact the listing agent for access to the home. Keys will not be given out during construction. You will receive your keys at closing. Prior to closing buyer may not install and/or store any items in the home, unless given written consent from Smithbilt.
