**HIDDEN MEADOWS SUBDIVISION**

KNOW ALL BY THESE PRESENTS, that this Declaration of Covenants, Restrictions and Easements (this "Declaration") is made this 3 day of ~~DECEMBER~~ 2013, by PRIMOS LAND COMPANY, LLC, a Tennessee limited liability company (hereinafter referred to as "Developer").

RECITALS:

A. Developer is the owner of the real property located in Knox County, Tennessee described in Exhibit A attached hereto and incorporated into this Declaration by this reference (the "Subject Property").

B. Developer has caused the Subject Property to be subdivided into lots as shown on that plat of record in the Register's Office for Knox County, Tennessee as Instrument Number 201308300015220 (as such may be subsequently modified or supplemented), so as to create Hidden Meadows subdivision. For signage and other monument purposes only, the Subject Property may also be referred to as "The Village at Hidden Meadows."

C. Developer desires to subject the Subject Property, together with such additions as may be later made to the Subject Property as provided in this Declaration, to the covenants, restrictions, easements, charges and liens set forth in this Declaration.

D. Developer has incorporated under the laws of the State of Tennessee a nonprofit corporation called "Hidden Meadows Homeowners Association, Inc." for the purpose of exercising certain functions under this Declaration, consistent with the terms of this Declaration and the Charter and Bylaws for Hidden Meadows Homeowners Association, Inc.

NOW, THEREFORE, in consideration of the premises and the mutual benefit of all parties concerned, Developer hereby declares that the Subject Property, including each and every Lot of the Development shown on the Plat and such additions to the Subject Property as may hereafter be made pursuant to this Declaration, is and shall be held, transferred, sold, conveyed and occupied subject to the following covenants, restrictions, easements, charges and liens:

**ARTICLE I: DEFINITIONS**

In addition to words, terms and phrases elsewhere defined in this Declaration, the following words used in this Declaration shall have the following meanings:

Portable playground or sports equipment designed to be easily removed and stored out of view shall not be deemed Structures, while playground or sports equipment designed to be permanently or semi-permanently affixed to the ground shall be deemed Structures.

## **ARTICLE II: EXISTING PROPERTY AND ADDITIONAL PROPERTY**

2.01 Existing Property. The Subject Property, and each Lot created, resulting or subdivided from the Subject Property, shall be held, transferred, sold, conveyed and occupied subject to this Declaration.

2.02 Additional Property. The Developer reserves the right to unilaterally amend this Declaration: (a) to subject all or any part of the Additional Property to the terms and conditions of this Declaration; (b) to include all or any part of the Additional Property as a part of the Development, whether or not the Additional Property shall be designated as a part, phase or unit of the Hidden Meadows subdivision or another name; (c) to grant to any owner(s) of any lot created or resulting from the subdivision of all or any part of the Additional Property the right to use any Common Areas, said right to be upon such terms and conditions, and subject to such limitations, as the Developer shall determine in its discretion; (d) to permit the owner(s) of any lot created or resulting from the subdivision of all or any part of the Additional Property to be a Member of the Association (and an Owner as defined herein) upon such terms and conditions, and subject to such limitations, as the Developer shall determine in its discretion; and/or (e) to add or include any further real property as part of the Additional Property and/or the Development. The Developer may subject the Additional Property to different covenants and restrictions, or to none at all. No assurances are made that the Developer will exercise its rights with respect to any part of such Additional Property, nor as to which portions of the Additional Property the Developer will exercise such rights or the order in which such portions will be developed. The exercise of the Developer's rights as to some portions of the Additional Property will not in any way obligate the Developer to exercise said rights as to other portions.

## **ARTICLE III: MEMBERSHIP AND RIGHTS IN THE ASSOCIATION**

3.01 Membership. Every person or entity that is an Owner shall be a Member of the Association. Membership shall commence on the date such person or entity becomes an Owner and expires upon the transfer or release of the fee interest that resulted in such person or entity being an Owner.

3.02 Voting Rights. The Association shall have two classes of voting membership:

(a) **Class A.** "Class A Members" shall be all Members except for the Developer. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for membership pursuant to Section 3.01. When more than one person holds such interest or interests in any Lot, all such persons shall be Members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Lot.

(b) **Class B.** The "Class B Member" shall be the Developer or any expressed assignees of Developer pursuant to this Declaration. The Class B Member shall be entitled to one hundred (100) votes for each Lot in which Developer holds the interest required for membership by Section 3.01. Said Class B membership shall not transfer with ownership of a Lot, but shall instead remain in the Developer until such time as the Developer has (i) relinquished ownership of all Lots within the Development (including any Additional Property added or included in the Development by Developer), (ii) expressly assigned its Class B membership to another person or entity, which assignee person or entity shall then be the Class B Member, or (iii) expressly terminated Class B membership in the Association. Any assignment or termination of Class B membership may only be accomplished by a written instrument expressly assigning or terminating such membership, such written instrument to be recorded in the Knox County Register's Office. Once the Developer has relinquished ownership in all Lots in the Development, Class B membership shall cease to exist and, from and after such time, there shall only be Class A membership.

3.03 Charter and Bylaws. The rights, privileges, duties and obligations of Members shall be as set forth both in this Declaration and in the Charter and the Bylaws, and the terms and provisions of the Charter and Bylaws are incorporated into this Declaration fully by reference, to the same extent as if set forth herein verbatim.

#### **ARTICLE IV: COMMON AREAS**

4.01 Members' Easements of Enjoyment. Subject to the conditions and limitations set forth in this Declaration, the Charter and the Bylaws, each Member shall have a right and easement of enjoyment in and to the Common Areas for their intended purposes, and such easement shall be appurtenant to and shall pass with the title to every Lot.

4.02 Title to Common Areas. Developer shall retain the legal title to the Common Areas until Developer conveys and transfers the Common Areas to the Association, any such conveyance and transfer to occur in Developer's discretion.

4.03 Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) the right of the Association to take reasonable action to protect and preserve the rights of the Association and the Members in and to the Common Areas, including, but not limited to, rights to prevent the sale or confiscation of said Common Areas from creditors or lien holders of the Association or Members; and

(b) the right of the Association, as provided in its Charter and Bylaws, to suspend the enjoyment rights of any Member for any period during which any Development Assessment or other payable amount remains unpaid, and for any infraction of its rules and regulations or Rules of Conduct; and

(c) the right of the Association to promulgate rules and regulations or Rules of Conduct for the use of the Common Areas; and

(d) the right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed upon by the Board of Directors; and

(e) unless specifically provided by the Developer (such as when Additional Property is made a part of the Development), the rights of Members of the Association to use and enjoy the Common Areas shall not be altered or restricted because of the location of the Common Areas in a unit or portion of the Development in which such Member is not a resident.

4.04 Maintenance of Common Areas. The Association shall be responsible for appropriate maintenance, repair and replacement of the Common Areas.

#### **ARTICLE V: DEVELOPMENT ASSESSMENTS**

5.01 Obligation for Development Assessments and Creation of Lien. Each Owner, other than the Developer, by acceptance of a deed or other conveyance for a Lot (whether or not it shall be so expressed in any such deed or other conveyance) shall be deemed to covenant and agree to pay Development Assessments to the Association, such Development Assessments to be fixed, established and collected from time to time as hereinafter provided. The Development Assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on each Lot and shall be a continuing lien on the Lot against which each assessment is made. Each such Development Assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Development Assessment became due. If a Lot is owned by more than one person, each such person shall be jointly and severally liable for the Development Assessments levied on such Lot. Development Assessments may be characterized as General Assessments (Section 5.03), Individual Assessments (Section 5.04), or Special Assessments (Section 5.05).

5.02 Purpose of Development Assessments. The Development Assessments levied by the Association shall be used for the purpose of promoting the recreation, health, safety, welfare and beautification of the Development, and to construct, acquire, repair, demolish, rebuild, replace, maintain and/or operate the Common Areas. In addition, the Development Assessments levied by the Association shall be used for the payment of taxes, insurance and utilities on the Common Areas, and for maintaining reasonable cash reserves. However, the Development Assessments shall not be

specifically limited to the Common Areas, but shall extend to and include the right to maintain and repair all of the previously enumerated areas and the street and area lighting, traffic signals, and signs pertaining to the Development and the repair and replacement of any street signs located therein (but only to the extent such is the responsibility of the Association). The cost of the operation and maintenance of street lights and lighting regardless of the location within the Development and the proximity to the individual Lots shall be borne equally and prorated as to each Lot without regard to the ownership.

5.03 General Assessments. The term "General Expenses" shall mean all expenses estimated or incurred by the Association for the operation, maintenance, repair and replacement by the Association of the Common Areas (including without limitation stormwater collection basins, ponds or retention areas and facilities) and other Development-wide facilities, plus any reasonable reserves as the Association shall determine to be appropriate. Each year, the Association shall establish and levy on each Lot, except for Lots owned by the Developer, a "General Assessment" calculated based on the estimated General Expenses for such year divided by the number of Lots in the Development that are not owned by Developer.

5.04 Individual Assessments. The term "Individual Expenses" shall mean all expenses estimated or incurred by the Association in connection with just one Lot in the Development, or more than one but less than all Lots in the Development. Individual Expenses shall also include any fine established and levied by the Association on a Lot and its Owner. Either prior to or after an Individual Expense is incurred by the Association, the Association shall establish and levy on the Lot(s) for which such Individual Expense was incurred an "Individual Assessment" calculated based on the estimated or actual Individual Expenses for such Lot(s).

5.05 Special Assessments. In addition to the General Assessments and the Individual Assessments and other charges authorized by this Declaration, the Association may levy a "Special Assessment" for the purpose of defraying in whole or in part (a) the cost of any construction or reconstruction serving the Development as a whole, (b) unexpected repair or replacement of a capital improvement upon the Common Areas or otherwise serving the Development as a whole, including the necessary fixtures and personal property related thereto, or (c) any other unanticipated cost or expense not specific to one Lot, including without limitation any litigation costs or insurance costs.

5.06 Developer's Rights as to Development Assessments. Notwithstanding the remainder of this Article V, the Developer shall have the right, in its commercially reasonable discretion, to determine and set the Development Assessments for as long as there is a Class B Member of the Association. In view of the fact that Developer shall incur all of the initial costs of constructing, building, and installing Common Areas, incurring most of the initial maintenance costs of same, and subsequently transferring said Common Areas to the Association, Developer shall not be required to pay on Lots owned by it any Development Assessment required hereunder or levied by the Association. Further the Developer may incur maintenance costs in excess of the Development Assessments for some period of time until the Development Assessments equal the maintenance costs, and the Developer shall be entitled to recover these excess costs prior to transferring title to the Common Areas to the Association.

5.07 Due Date for Payment of Development Assessments. The first General Assessment shall become due and payable as set by the Board of Directors. As each person or entity becomes a Member, such new Member's General Assessment for the current year shall be a pro-rata part of the General Assessment. The due date of any Special Assessment shall be fixed in the resolution authorizing such Special Assessment, and the due date of any Individual Assessment shall be thirty (30) days after the Association's delivery of a statement for such Individual Assessment. Upon a person or entity's ceasing to be a Member of the Association, such Member shall not be entitled to any refund of his Development Assessments. It shall be the duty of the Board of Directors to notify each Owner of any change in the General Assessment or any Special Assessment and the due date of such Special Assessment. The requirement of notice shall, without limitation, be satisfied if such notice is given by regular deposit in the United States Mail or by email transmission to the last known address of each such Owner, or if announced at a meeting of Members, or if publicized prominently by sign, flyer or other posting in the Development.

5.08 Effect of Non-Payment.

(a) In the event any Development Assessment is not paid on the date when due, then such Development Assessment shall become delinquent and shall, together with such interest thereof and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on such Owner's Lot, which shall bind such Lot in the hands of such Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the Owner to pay such Development Assessment, however, shall remain such Owner's personal obligation and shall not pass to his successors in title unless expressly assumed by them, or unless a notice of such lien has been recorded in the Register's Office for Knox County, Tennessee prior to the instrument by which title was conveyed. Penalties for late payment may be assessed by the Board of Directors in its sole discretion.

(b) If any Development Assessment is not paid within thirty (30) days after the delinquency date, the Development Assessment shall bear interest from the date of delinquency at the rate of Eighteen Percent (18%) per annum (or if such rate exceeds the maximum rate permitted by Tennessee law, the maximum rate permitted by Tennessee law), and the Association may bring action at law or in equity against the Owner personally obligated to pay the same or to foreclose the lien against the Lot, and there shall be added to the amount of such Development Assessment the cost of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the Development Assessment as above provided and a reasonable attorney fee to be filed by the Court together with the costs of the action.

(c) In addition to all other rights and remedies, in the event of non-payment of a Development Assessment, the Board of Directors shall have the right to (i) record a notice of lien on the applicable Lot(s) with the Knox County Register's Office, (ii) publicize any recorded lien in the regular communications of the Association, (iii) refer such unpaid Development Assessment to a collection agency, or (iv) any other right or remedy permitted by law or in equity for non-payment or non-performance of an obligation.

5.09 Subordination of the Lien to Mortgages. The lien of the Development Assessments and charges provided for by this Article V shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to Development Assessment; provided, however, that such subordination shall apply only to the Development Assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any Development Assessments thereafter becoming due nor from the lien of any such subsequent Development Assessment. A Development Assessment shall not be subordinate to a mortgage held by a prior owner who was the Owner at the time such Development Assessment accrued.

5.10 Exempt Property. The following property subject to this Declaration shall be exempted from the Development Assessments, charges and liens created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local authority and devoted to public use; (b) all Common Areas; (c) all properties exempted from taxation by the laws of the State of Tennessee or United States Government, upon the terms and to the extent of such legal exemption; and (d) all properties owned by the Developer.

5.11 Management. The Association, acting by and through its Board of Directors, shall have the right to engage and employ such individuals, corporations or property managers for the purpose of managing and maintaining the Common Areas and performing such other duties as the Board of Directors shall from time to time deem advisable. Such individuals, corporations or property managers may be affiliated with Developer, provided that any individual, corporation or property manager employed by the Association but affiliated with Developer shall be compensated at no greater than commercially reasonable rates.

#### **ARTICLE VI: ARCHITECTURAL REVIEW COMMITTEE**

6.01 General. No Structure shall be erected, placed or altered on any Lot until the plans and specifications and a plan showing the location of the Structure have been approved in writing by the Architectural Review Committee established by this Article VI. The Architectural Review Committee shall be composed of one or more individuals appointed by the Developer, acting as the Board for such purpose. Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this Article VI. In the event the Architectural Review Committee fails to approve or disapprove such plans or specifications within thirty (30) days after the same have been submitted to it, such approval shall be deemed granted and no longer required. Further, such plans must be left with Architectural Review Committee during the period of construction after approval. The Developer shall continue to have the exclusive authority to appoint the members of the Architectural Review Committee until such time as it shall in writing expressly confer such authority to the Association

6.02 Purpose, Powers and Duties. The purpose of the Architectural Review Committee is to assure that the installation, construction or alteration of any Structure on any Lot is submitted to

the Architectural Review Committee for approval (i) as to whether the proposed installation, construction or alteration is in conformity and harmony of external design and general quality with the existing standards of the neighborhood and with the standards of the Development; (ii) as to the location of the Structure with respect to topography, finished ground elevation and surrounding Structures; and (iii) other purposes reasonably determined by the Developer to be appropriate. To the extent necessary to carry out such purposes, the Architectural Review Committee shall have all of the powers and duties to do each and every thing necessary, suitable, convenient or proper for, or in connection with or incidental to the accomplishment of such purpose, including, without limitation, the power and duty to approve or disapprove plans and specifications for any installation, construction or alteration of any Structure on any Lot.

6.03 Submission of Plans and Specifications. No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot, nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance of the Structure or Lot, unless plans and specifications therefore shall have been first submitted to and approved in writing by the Architectural Review Committee. Such plans and specifications shall be in such form and contain such information as may be reasonably required by the Architectural Review Committee.

6.04 Approval of Builders. Any builder, prior to performing any work on any Lot, must first be approved by the Architectural Review Committee as to financial stability and building experience and ability to build Structures of the class and type of those which are to be built on the Lot. Such approval shall be within the sole discretion of the Architectural Review Committee. No person shall be approved as a builder unless such person obtains his income primarily from construction of the type which builder is to perform upon the Lot. No Owner will be permitted to act as his own builder or contractor except where such Owner obtains his income primarily from the construction of the type of structures to be constructed on the Property and otherwise meets the qualifications hereinabove set forth.

6.05 Right of Inspection. The Architectural Review Committee, its agents and representatives, shall have the right during reasonable hours to enter upon and inspect any Lot and Structure for the purpose of ascertaining whether the installation, construction, alteration or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and the Architectural Review Committee shall not be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection.

6.06 Violations. If any Structure shall be erected, placed, maintained or altered upon any Lot in a manner that is not in accordance with the plans and specifications approved by the Architectural Review Committee pursuant to the provisions of this Article VI, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article VI and without the approval required herein. If in the opinion of the Architectural Review Committee such violation shall have occurred, the Architectural Review Committee shall be entitled and empowered, in addition to all other rights and remedies pursuant to this Declaration, at law or in equity, to enjoin or remove any such construction. Any costs and expenses including a reasonable attorney fee incurred by the Architectural Review Committee in enjoining and/or removing any

construction or improvements shall be an Individual Assessment to which the Owner and his Lot are subject.

6.07 Responsibility for Agents. All builders and Owners shall be held responsible for the act of their employees, contractors, sub-contractors, suppliers and other persons or parties involved in construction or alteration of a Structure. In this regard, a builder and Owner shall be responsible for the following:

(a) Ensuring that the construction site is kept clean and free of debris and waste materials, and that stockpiles of unused materials are kept in a neat and orderly fashion.

(b) Prohibiting the consumption of alcoholic beverages, illegal drugs or other intoxicants that could hamper the safety or well-being of other personnel on the site or affect the quality of workmanship.

(c) Assuring that all Owners, builders, employees, sub-contractors and suppliers are properly insured.

(d) Assuring that all Owners, builders, employees, contractors, sub-contractors and suppliers do not commit any violation of this Declaration or the rules and regulations of the Association.

(e) Ensuring that all temporary driveways on the construction site are sufficiently graveled, that a portable toilet is available and used by the construction workers and that any mud or any debris caused by the construction are removed from the adjoining roadways as soon as reasonably possible. Further, silt fences shall be installed as required to keep silt, mud, and other debris off of the street.

6.08 No Modification of Legal Requirements. Nothing contained herein abrogates, modifies, or changes the applicability of any ordinances, statutes, codes, rules and regulations of Knox County or any other governmental unit, as applicable; nor abrogates, modifies, or changes the necessity of obtaining a building permit, inspection or otherwise complying with applicable provisions of governmental codes, statutes, ordinances, rules and regulations.

6.09 Management of Architectural Review Committee. The Developer shall continue to have the exclusive authority to appoint the member(s) of the Architectural Review Committee, acting as the Board for such purpose, until such time as it shall in writing expressly confer such authority to the Association. Once such authority is conferred to the Association, (a) the Developer shall have no further rights or duties relative to the review or approval of plans and specifications (unless such plans and specifications were previously submitted and are then in the process of review), and (b) the Association shall be vested with all rights and powers of the Developer to appoint members of the Architectural Review Committee. Developer shall have the right to expressly confer the authority to appoint the member(s) of the Architectural Review Committee to the Association for only specific Lots in the Development, with the Developer retaining such authority as to the remaining Lots in the

Development. Upon the Developer conferring to the Association any authority to appoint the member(s) of the Architectural Review Committee, the acting Board of Directors shall establish the number of such members of the Architectural Review Committee and shall appoint such members.

6.10 Applicability. The requirements of this Article VI shall not be applicable to the Developer, the Association or the Common Areas.

## **ARTICLE VII: RESTRICTIONS**

7.01 Residential Use. Lots shall be restricted to residential use and shall not be used for commercial or industrial purposes, provided that a home-based business ancillary to residential use shall be permitted as long as such business does not reasonably impact the Development, it being understood that no signage or advertising for such home-based shall be permitted, and it being further understood that no unreasonable increase in traffic or any overloading or impact on resources used by other Owners (such as, without limitation, internet or telecommunications bandwidth) shall be permitted. Further, no house trailers, cabins or shacks shall be permitted on any Lot, and no mobile homes, campers or tents shall be placed on any Lot and used for residential purposes.

7.02 Antennas and Satellite Dishes. No satellite dishes with a diameter of more than thirty-six (36) inches shall be permitted on any Lot, and no more than two (2) such satellite dishes shall be permitted on any one Lot without the prior written approval of the Architectural Review Committee or Board of Directors, to be granted or withheld in its sole and absolute discretion. Further, no outside satellite dishes, radio transmission towers, receiving antennas or television antennas of any type may be installed so as to be visible from a street, except as approved by the Architectural Review Committee or Board of Directors, to be granted or withheld in its sole and absolute discretion.

7.03 Clotheslines. Clotheslines and other devices or structures designed and customarily used for the drying or airing of clothes, blankets, bed linen, towels, rugs or any other type of household ware shall not be permitted.

7.04 Animals. No animal, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except for dogs, cats and other household pets; provided, however, that no animals of any kind (including without limitation household pets) shall be kept, bred or maintained for commercial purposes.

7.05 Vehicles. No automobiles which are inoperable or being stored shall be repeatedly parked, kept, repaired or maintained on the street or lawn of any Lot. Recreational vehicles, which include but are not limited to boats, trailers, campers and motor homes, may be stored or parked only in a garage or on a driveway, and shall at all times be kept in a clean and slightly condition.

7.06 Signs. No sign of any kind shall be displayed to public view, or to the view of any other Lot, except one (1) sign of not more than five (5) square feet for advertisement during

construction, renovation or sale, and one (1) political campaign sign of not more than five (5) square feet.

7.07 Trash. No Lot shall be used or maintained as a dumping ground for trash or rubbish. No trash, garbage or other waste shall be kept on any Lot, except on a temporary basis in covered containers.

7.08 Maintenance. Each Owner shall maintain its Lot, including the Structures and landscaping on such Lot, in a neat, clean and sanitary condition. Such obligation shall include, without limitation, the appropriate cleaning and painting of dwellings, garages and fences; mowing of grass; pruning of trees, shrubs, and hedges; raking of leaves; and weeding of flower beds and gardens.

7.09 Nuisance. No noxious or offensive trade or activity shall be carried on upon any Lot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

7.10 Waste. At no time shall any Lot be stripped of its top soil, trees, or allowed to go to waste or waste away by being neglected or excavated.

#### **ARTICLE VIII: ENFORCEMENT**

8.01 General. The Developer, the Association, the Architectural Review Committee, and/or any Owner shall have the right to enforce, by and proceeding at law or in equity, all restrictions, conditions, covenants, reservations, easements, liens and charges now or hereafter imposed by the provisions of this Declaration. Further, the Developer, the Association, the Architectural Review Committee and/or any Owner may: (1) prosecute proceeding at law for the recovery of damages against those violating or attempting to violate the declaration of covenants and restrictions, and, or (2) maintain a proceeding in equity against those so violating or attempting to violate any covenants or restrictions, for the purpose of preventing or enjoining all or any such violations or attempted violations, and/or to have any such violation removed from the Lot or cured. Failure by the Association, the Architectural Review Committee or by any Owner to enforce any covenant or restriction herein contained shall not be deemed a waiver of the right to do so thereafter.

8.02 Abatement. In addition to other rights and remedies provided herein, the Architectural Review Committee and the Association shall each have the right of abatement in all cases where an Owner of a Lot shall fail to take reasonable steps to remedy a violation or breach of any restriction contained in this Declaration within twenty (20) days after the certified mailing of written notice of such violation or breach. The right of abatement means the right of the Architectural Review Committee and/or the Association, through its agents and employees, to enter at all reasonable times upon any Lot or Structure as to which a violation or breach exists, and to take such action or actions specified in the notice to the Owner to abate, extinguish, remove or repair such violation or breach, all without being deemed to have committed a trespass or wrongful act by reason of such entry and such actions.

8.03 Cumulative. The remedies contained in this Declaration shall be construed as cumulative of all other remedies now or hereafter provided by law. If the Developer, the Association, the Architectural Review Committee, or any Owner shall successfully prosecute in law or equity an action pursuant to this or any other enforcement section of these covenants or restrictions, then that party shall be entitled to receive its reasonable attorney's fees and the costs reasonably necessary to prosecute the case against the party violating the covenants and restrictions herein.

#### **ARTICLE IX: RETENTION OF EASEMENTS**

9.01 Reservation. In addition to all restrictions and limitations imposed by this Declaration, by the Plat, and by applicable zoning regulations, there is hereby reserved in favor of the Developer (for so long as the Developer shall own any Lot in the Development), the Association, and the Owners the following permanent, non-exclusive easements, which shall run with the land as a burden and a benefit to each Lot, the Owners, and their personal representatives, heirs, successors and assigns, as well as the Common Areas, the Developer and the Association:

(a) The Developer hereby declares and establishes a permanent, non-exclusive easement for the installation and maintenance of underground utilities on, over, under and across each Lot at the locations shown on the Plat;

(b) The Developer hereby declares and establishes a permanent, non-exclusive easement for drainage and the installation and maintenance of all pipes, ditches and other stormwater improvements and facilities which may be appropriate, on, over and across each Lot at the locations shown on the Plat; and

(c) The Developer hereby declares and establishes a permanent, non-exclusive easement for access to and maintenance and repair of any Development improvements, such as sidewalks, street lights and signage.

9.02 Other Easements. In addition to the easements reserved in Section 9.01 above, and all other rights provided by this Declaration, Developer reserves for the benefit of Developer and the Association (a) the right and easement on the Common Areas to erect, install or maintain signs, sales offices, construction offices and other facilities for the construction of Structures and the sale of Lots, and (b) the right and easement, and the power to grant, accept or transfer easements from or to any governmental or public authority or utility, on the Common Areas and the Lots for the purpose of installing, replacing, repairs and maintaining utility systems (including without limitation cable television systems and drainage facilities), provided such easements do not materially affect the marketability or value of any such Lot. **HIDDEN MEADOWS HOMEOWNERS ASSOCIATION, INC.,**  
**A CORPORATION NOT FOR PROFIT**

**I. GENERAL PURPOSE**

Hidden Meadows Homeowners Association, Inc. (hereinafter the "Association") has been organized for the purpose of administering the operation and management of Hidden Meadows subdivision ("Hidden Meadows"), a residential subdivision development located in Knox County, Tennessee. Hidden Meadows is more particularly described in the Declaration of Covenants, Restrictions and Easements establishing, governing and restricting Hidden Meadows (as subsequently amended or modified, the "Declaration"). The terms and provisions of these Bylaws are expressly subject to the effect of the terms, provisions, conditions and authorizations contained in the Charter of Hidden Meadows Homeowners Association, Inc. (the "Charter") and in the Declaration. The terms and provisions of such Charter and Declaration are incorporated herein by reference and shall be controlling wherever the same may be in conflict herewith. For purposes of these Bylaws, initial capitalized terms shall have the meanings set forth in the Declaration unless otherwise stated or the context so requires. As used herein, "Developer" refers to Primos Land Company, LLC, a Tennessee limited liability company, and its successors and assigns.

**II. MEMBERSHIP AND VOTING RIGHTS**

**A. Membership.** Every Owner of a Lot in Hidden Meadows shall be a mandatory member of the Association (hereinafter referred to as a "Member"). The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot in Hidden Meadows which is subject to the Declaration and shall pass automatically to an Owner's successor-in-title or interest to the Lot.

**B. Voting Rights.** The Association shall have two classes of voting membership:

(i) THE CLASS A MEMBERS shall be all Members other than Developer, for as long as Class B Membership exists. Class A Members shall be entitled to one vote for each Lot in Hidden Meadows in which such Class A Member holds the interest required for membership in the Association. When more than one person or entity holds such interest or interests in any Lot in Hidden Meadows, all such persons or entities shall be deemed Members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be case with respect to such Lot.

(ii) THE CLASS B MEMBER shall be the Developer. The Class B Member shall be entitled to ten (10) votes for each Lot in Hidden Meadows in which such Class B Member holds the interest required for membership in the Association. Said Class B Membership shall remain in the Developer and its assignees until such time as Developer has relinquished ownership of all Lots in Hidden Meadows, or until such time as Developer deems it appropriate to terminate Class B Membership, at which time Class B Membership shall cease to exist and there shall thereafter only be Class A Membership.

C. **Change of Membership.** Change of membership shall be accomplished by recording in the Register's Office for Knox County, Tennessee a deed or other instrument establishing record title to a Lot in Hidden Meadows, and delivery to the Secretary/Treasurer of the Association of a certified copy of such instrument. The membership of the prior Lot Owner shall be thereby terminated.

D. **Proxies.** Proxy ballots shall be permitted with respect to all elections of Directors, and all amendments to the Charter, the Declaration or these Bylaws, or any other matter which is to come before a meeting of the membership of the Association. All proxies shall be in writing, signed by the individual Lot Owner or Owners or by his or her duly authorized representative(s) and delivered to the Secretary/Treasurer of the Association, or such other person as the President may designate, at least twenty-four (24) hours prior to the commencement of the meeting at which ballots are to be cast.

### III. MEETINGS OF MEMBERS

A. **Annual Meeting.** The first annual meeting of the Members shall be held on such date as is fixed by the Board, which date shall be sixty (60) days from the date when 100% of all the Lots in Hidden Meadows have been conveyed by the Developer, or such earlier time as selected by the Developer. In case of a special meeting or when required by statute or by these Bylaws, the purpose for which the meeting is called shall be stated in the notice. The notice of a meeting shall be deemed delivered when personally delivered, or if mailed, when deposited in the United States mail addressed to the Member at his or her address as it appears on the records of the Association.

E. **Quorum.** To establish a quorum at any annual or special meeting there must be present or represented by proxy Owners of Lots holding ten percent (10%) of all votes (determined with reference to total Class A and Class B memberships) entitled to be cast at any meeting of the Members.

The conditions, limitations and restrictions set forth in Sections A through K, inclusive of this Article IV shall not apply to the initial Board or the member thereof, and said conditions, limitations and restrictions applicable to the initial Board shall be determined by the Developer; provided, however, (i) Section L of this Article IV shall apply to the initial Board; and (ii) this Article IV shall apply fully to directors elected at and after the first meeting of the members of the Association.

After the initial Board, the following shall apply to directors:

Such appointment shall be announced at the annual meeting. The nominating committee may nominate any number of qualified individuals. The nominations shall be made at least twenty-one (21) days prior to the annual meeting and a brief statement about the qualifications of each individual nominated shall be included with the notice of the annual meeting. Nominations shall also be allowed from the floor at the meeting. Failure to comply with the provision hereof shall in no way invalidate the election of directors so nominated.

4. (a) In addition to the Association, Developer has incorporated under the laws of the State of Tennessee a nonprofit corporation named Villas at Hidden Meadows Homeowners' Association, Inc. (the "Villas Association"). The Charter and Bylaws for the Villas Association are attached to this Amendment No. 2 as Exhibit B (the "Villas Association Bylaws"). Every person or entity who is the owner of a fee or undivided fee interest in any Lot on the Villas at Hidden Meadows shall, in addition to being a Member of the Association, also be a member of the Villas Association (a "Villas Member"), provided that any such person or entity who holds such interest merely as security for the performance of an obligation shall not be a Villas Member. Membership in the Villas Association shall commence on the date such person or entity becomes the owner of a fee or undivided fee interest in a Lot in the Villas at Hidden Meadows, and expires on the transfer or release of said ownership interest.

(b) Subject to the Villas Association Bylaws, the Villas Association shall have two classes of Villas Members.

(i) THE CLASS A MEMBERS shall be all Villas Members other than Developer. Class A Members shall be entitled to one vote for each Lot in the Villas at Hidden Meadows in which such Class A Member holds the interest required for membership in the Villas Association. When more than one person or entity holds such interest or interests in any Lot in the Villas at Hidden Meadows, all such persons or entities shall be deemed Villas Members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to such Lot.

(ii) THE CLASS B MEMBER shall be the Developer. The Class B Member shall be entitled to five votes for each Lot in the Villas at Hidden Meadows in which such Class B Member holds the interest required for membership in the Villas Association. Said Class B Membership shall remain in the Developer, its successors and assigns, until such time as Developer has relinquished ownership of all Lots in the Villas at Hidden Meadows, or until such time as Developer deems it appropriate to terminate Class B Membership, at which time Class B Membership shall cease to exist and there shall thereafter only be Class A Membership.

5. (a) The Villas Association shall be responsible for all mowing, groundskeeping and trash pickup in the Villas at Hidden Meadows, including mowing and groundskeeping of the Lots in the Villas at Hidden Meadows. Such mowing, groundskeeping and trash pickup in the Villas at Hidden Meadows shall be performed by the Villas Association at times and intervals reasonably determined by the Villas Association, to the extent reasonably deemed necessary by the Villas Association. The Villas Association shall have the right to engage and employ such individuals, entities or professional managers for the purposes of performing mowing, groundskeeping and trash pickup in the Villas at Hidden Meadows. All costs and expenses associated with mowing, groundskeeping and trash pickup in the Villas at Hidden Meadows shall be the responsibility of the Villas Association, subject to reimbursement from Villas Assessments

paid by Owners in the Villas at Hidden Meadows (as provided in this Amendment No. 2 and the Villas Association Bylaws). In no event shall the Villas Association perform any mowing, groundskeeping, trash pickup, or other work in any unit, phase or area of Hidden Meadows Subdivision other than the Villas at Hidden Meadows; and in no event shall the Villas Association have any obligation or responsibility to the Lots and Owners in the Villas at Hidden Meadows other than the performance of mowing, groundskeeping and trash pickup in the Villas at Hidden Meadows, the enforcement of the restrictions provided in this Amendment No. 2, and the collection and enforcement of Villas Assessments (and the lien therefore) as provided in this Amendment No. 2. Nothing herein shall eliminate or reduce any obligation of the Association provided for in the Declaration to the extent such obligation relates to the Villas at Hidden Meadows. Specifically, nothing herein shall eliminate or reduce any obligation of the Association to maintain or repair the Common Areas, including any Common Areas that may be part of the Villas at Hidden Meadows, to the extent such maintenance or repair is the Association's responsibility pursuant to the Declaration.

(b) All plantings and landscaping of a Lot in the Villas at Hidden Meadows shall be harmonious with plantings and landscaping in other Lots in the Villas at Hidden Meadows. No new hedges, trees, bushes or plants may be installed or planted on or in a Lot in the Villas at Hidden Meadows without prior written approval of the Board of Directors of the Villas Association; provided, however, that new flowers may be planted by an Owner of a Lot in the Villas at Hidden Meadows in existing flower beds on such Lot, provided that such new flowers are aesthetically harmonious with the remainder of the Lot and all other Lots in the Villas at Hidden Meadows, and provided that such new flowers do not materially increase the time or cost required for the Villas Association to perform mowing and groundskeeping on such Lot. No lawn ornaments, fountains, permanent or semi-permanent lawn furniture, or other similar decorative items shall be placed or kept on or in the outdoor areas of a Lot in the Villas at Hidden Meadows without the prior written approval of the Board of Directors of the Villas Association.

(c) The Villas Association shall have the right to enforce, by any proceeding at law or in equity, the restrictions, conditions, covenants, liens and charges provided in this Amendment No. 2, and failure by the Villas Association to enforce any such restrictions, conditions, covenants, liens or charges shall in no event be deemed a waiver of the right to later do so. Further, the Villas Association shall have the right of abatement in all cases where an Owner of a Lot in the Villas at Hidden Meadows shall fail to take reasonable steps to remedy a violation or breach of any restriction contained in this Amendment No. 2 within twenty (20) days after the certified mailing of written notice of such violation or breach. The right of abatement means the right of the Villas Association, through its agents and employees, to enter at all reasonable times upon any Lot in the Villas at Hidden Meadows as to which a violation or breach exists, and to take such action or actions specified in the notice to the Owner to abate, extinguish, remove or repair such violation or breach, all without being deemed to have committed a trespass or wrongful act by reason of such entry and such actions. The remedies contained in this Amendment No. 2 shall be construed as cumulative of all other remedies now or hereafter provided by law. If the Villas Association shall successfully prosecute in law or equity an action pursuant to this Amendment No. 2, then the Villas Association shall be entitled to receive from the non-prevailing party the Villas Association's reasonable attorneys' fees and reimbursement of costs incurred by the Villas Association that were reasonably necessary to prosecute the proceeding against such non-prevailing party.

6. (a) Each Owner of any Lot in the Villas at Hidden Meadows, other than Developer, shall by acceptance of a deed for such Lot (whether or not it shall be expressed in such deed) be deemed to covenant and agree to pay to the Villas Association an annual assessment and any special assessment established by the Board of Directors of the Villas Association for reimbursement of the costs and expenses of mowing, groundskeeping and trash pickup in the Villas at Hidden Meadows (collectively, the "Villas Assessments"). Such Villas Assessments shall be in addition to, not in lieu of, Development Assessments (General, Individual or Special) by the Association otherwise due and payable pursuant to the Declaration. Each Villas Assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien on the property against which such Villas

Assessment is made. Each Villas Assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the Villas Assessment became due.

(b) The Villas Assessment for the first year after the establishment of the Villas Association shall be the sum reasonably deemed by the Developer to be necessary to defray the expenses of the Villas Association for mowing, groundskeeping and trash pickup in the Villas at Hidden Meadows. From and after expiration of the first year, the Villas Assessment shall be adjusted by the Board of Directors of the Villas Association based on cost estimates for the upcoming year (which cost estimates may be based on actual expenses for the prior year, with any estimated appropriate adjustments to such prior year actual expenses). In view of the fact that Developer shall incur all of the initial costs of mowing, groundskeeping and trash pickup in the Villas at Hidden Meadows, Developer shall not be obligated to pay any Villas Assessment on Lots in the Villas at Hidden Meadows owned by Developer.

(c) Upon any Villas Member acquiring ownership to a Lot in the Villas at Hidden Meadows, such Villas Member shall be obligated for the prorated portion of the Villas Assessment for the calendar year during which closing of such Lot acquisition occurred. Such first Villas Assessment shall be due and payable no later than the first day of the calendar month following the date of closing of such Lot acquisition. Villas Assessments for subsequent calendar years shall be payable on or before a due date set by the Villas Association Board of Directors. Upon a person or entity transferring ownership of his/her/its Lot and ceasing to be a Villas Member, such person or entity shall not be entitled to a refund from the Villas Association of any Villas Assessment already paid for the calendar year of such transfer (though such shall not prohibit any proration of such Villas Assessment between the transferor and transferee of such Lot).

(d) The following property in the Villas at Hidden Meadows is exempted from Villas Assessments, and the charge and lien therefore: (i) all properties to the extent any easement or other interest therein dedicated and accepted by the local authority and devoted to public use, (ii) all Common Areas as defined in the Declaration, (iii) all properties exempted from taxation by the laws of the State of Tennessee or United States Government, upon the terms and to the extent of such legal exemption, and (iv) all properties owned by the Developer.

7. (a) If the Villas Assessments are not paid on the date when due, then such Villas Assessments shall become delinquent and shall, together with such interest thereof and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on other property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such Villas Assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them. Penalties for late payment may be assessed by the Villas Association Board of Directors in its sole discretion.

(b) If any Villas Assessment is not paid within thirty (30) days after the delinquency date, the Villas Assessment shall bear interest from the date of delinquency at the rate of ten (10) percent per annum, and the Villas Association may record in the Knox County Register's Office a notice or memorandum of lien for the delinquent amount and/or bring action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney fee to be filed by the court together with the costs of the action.

(c) The lien of the Villas Assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to Villas Assessments; provided, however, that such subordination shall apply only to the Villas Assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any Villas Assessments thereafter

becoming due nor from the lien of any such subsequent Villas Assessment. A Villas Assessment shall not be subordinate to a mortgage held by a prior owner who was the Owner at the time such assessment accrued.

8. Lots in the Villas at Hidden Meadows shall be subject to the following restrictions made in addition to, not in lieu of, the restrictions already applicable under the Declaration:

(a) No changes may be made to the color, style or appearance of the exterior of any home, building or structure located on a Lot in the Villas at Hidden Meadows.

(b) No outdoor improvements (i.e., additions, decks, patios, fire pits) may be erected without the prior written approval of the Developer or the Architectural Review Committee. Developer or the Architectural Review Committee may approve or reject an Owner's request for outdoor improvements for any reason in their sole and absolute discretion.

(c) No fencing may be erected on a Lot in the Villas at Hidden Meadow.

9. Except as specifically amended and/or supplemented hereby, the Declaration shall remain in full force and effect, subject to the rights of the Developer to further amend or modify the same to the extent permitted and provided in the Declaration. This instrument may be amended, modified, repealed or terminated to the same extent and as provided in the Declaration.

10. From and after the date of this Amendment No. 2, all references to the "Declaration" shall refer to the Original Declaration, Amendment No. 1, Amendment No. 2 and any future supplements, amendments, modifications or revisions made and recorded in the Knox County Register's Office.

IN WITNESS WHEREOF, Primos Land Company, LLC, has caused this instrument to be executed on this 14 day of November, 2014.

**BYLAWS**  
**OF**  
**VILLAS AT HIDDEN MEADOWS HOMEOWNERS' ASSOCIATION, INC.**

**I. GENERAL PURPOSE**

Villas at Hidden Meadows Homeowners' Association, Inc. (hereinafter the "Villas Association") has been organized for the purpose of administering the operation and management of Villas at Hidden Meadows ("Villas at Hidden Meadows"), a residential subdivision development that forms a part of the Hidden Meadows Subdivision located in Knox County, Tennessee. Villas at Hidden Meadows is more particularly described in the Amendment No. 2 to Declaration of Covenants and Restrictions establishing, governing and restricting Villas at Hidden Meadows (as subsequently amended or modified, the "Villas Declaration"). The terms and provisions of these Villas Bylaws are expressly subject to the effect of the terms, provisions, conditions and authorizations contained in the Charter of Villas at Hidden Meadows Homeowners' Association, Inc. (the "Villas Charter") and in the Villas Declaration. The terms and provisions of such Villas Charter and Villas Declaration are incorporated herein by reference and shall be controlling wherever the same may be in conflict herewith. For purposes of these Villas Bylaws, initial capitalized terms shall have the meanings set forth in the Villas Declaration unless otherwise stated or the context so requires. As used herein, "Developer" refers to Primos Land Company, LLC, a Tennessee limited liability company, and its successors and assigns.

**II. MEMBERSHIP AND VOTING RIGHTS**

A. **Membership.** Every Owner of a Lot in Villas at Hidden Meadows shall be a mandatory member of the Villas Association (hereinafter referred to as a "Villas Member"). The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot in Villas at Hidden Meadows which is subject to the Villas Declaration and shall pass automatically to an Owner's successor-in-title or interest to the Lot.

B. **Voting Rights.** The Villas Association shall have two classes of voting membership:

(i) THE CLASS A MEMBERS shall be all Villas Members other than Developer. Class A Members shall be entitled to one vote for each Lot in Villas at Hidden Meadows in which such Class A Member holds the interest required for membership in the Villas Association. When more than one person or entity holds such interest or interests in any Lot in Villas at Hidden Meadows, all such persons or entities shall be deemed Villas Members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to such Lot.

(ii) THE CLASS B MEMBER shall be the Developer. The Class B Member shall be entitled to five votes for each Lot in Villas at Hidden Meadows in which such Class B Member holds the interest required for membership in the Villas Association. Said Class B Membership shall remain in the Developer, its successors and assigns, until such time as Developer has relinquished ownership of all Lots in Villas at Hidden Meadows, or until such time as Developer deems it appropriate to terminate Class B Membership, at which time Class B Membership shall cease to exist and there shall thereafter only be Class A Membership.

C. **Change of Membership.** Change of membership shall be accomplished by recording in the Register's Office for Knox County, Tennessee a deed or other instrument establishing record title to a Lot in Villas at Hidden Meadows, and delivery to the Secretary/Treasurer of the Villas Association of a certified copy of such instrument. The membership of the prior Lot Owner shall be thereby terminated.

D. **Proxies.** Proxy ballots shall be permitted with respect to all elections of Directors, and all amendments to the Villas Charter, the Villas Declaration or these Villas Bylaws, or any other matter which is to come before a meeting of the membership of the Villas Association. All proxies shall be in writing, signed by the individual Lot Owner or Owners or by his or her duly authorized representative(s) and delivered to the Secretary/Treasurer of the Villas Association, or such other person as the President may designate, at least twenty-four (24) hours prior to the commencement of the meeting at which ballots are to be cast.

### III. MEETINGS OF VILLAS MEMBERS

A. **Annual Meeting.** The first annual meeting of the Villas Members shall be held on such date as is fixed by the Board, which date shall be sixty (60) days from the date when 100% of all the Lots in Villas at Hidden Meadows have been conveyed by the Developer, or such earlier time as selected by the Developer. Thereafter, an annual meeting of the Villas Members shall be held on such date as selected by the Board which is within thirty (30) days before or after the first anniversary of the first annual meeting of the Villas Members. If such day be a legal holiday, the meeting shall be held on the next succeeding business day. At the annual meeting of the Villas Members, the Villas Members shall elect directors to the Board and transact such other business as may come before the meeting. If the election of directors shall not be held on the day designated herein for any annual meeting, or at any adjournment thereof, the Board of the Villas Association shall cause the election to be held at a special meeting of the Villas Members called as soon thereafter as may be convenient.

B. **Special Meetings.** Special meetings of the Villas Members may be called by the Board, the President or by not less than one-fifth (1/5) of the Villas Members. The notice for any special meeting shall specify the matters to be considered at such special meeting.

C. **Place and Time of Meeting.** All regular meetings of the Villas Members shall take place at such time and location as the Board shall designate. The time and place of all special meetings shall be designated by the person or persons calling the special meeting.

D. **Notice of Meetings.** Written or printed notice stating the place, day and hour of any regular or special meeting of the Villas Members shall be delivered personally or by the mail to each Villas Member entitled to vote at such meeting in care of his or her residence not less than ten (10) nor more than thirty (30) days before the date of such meeting. In case of a special meeting or when required by statute or by these Villas Bylaws, the purpose for which the meeting is called shall be stated in the notice. The notice of a meeting shall be deemed delivered when personally delivered, or if mailed, when deposited in the United States mail addressed to the Member at his or her address as it appears on the records of the Association.

E. **Quorum.** To establish a quorum at any annual or special meeting there must be present or represented by proxy Owners of Lots holding a majority of all votes (determined with reference to total Class A and Class B memberships) entitled to be cast at any meeting of the Members.

F. **Manner of Acting.** Except as set forth below and except as otherwise required by these Villas Bylaws any action to be taken at any meeting of the Villas Members at which a quorum is present shall be upon the affirmative vote of a majority of the votes which may be cast at such meeting.

G. **Organization.** At each meeting of the Villas Association, the President, or, in his or her absence, the Vice-President, or in their absence, Villas Members present in person or represented by proxy and entitled to vote thereat, shall act as a chairperson, and the Secretary/Treasurer, or in his or her absence, a person whom the chairperson shall appoint, shall act as secretary of the meeting.

H. **Order of Business.** The order of business at the annual meeting of the Villas Members or at any special meetings insofar as practicable shall be:

1. Roll call (or check-in procedure)
2. Proof of notice of meeting or waiver of notice
3. Reading of minutes of preceding meeting
4. Establish number and term of memberships of the Board of Directors (if required and noticed)
5. Reports of Committees
6. Election of directors (if required and noticed)
7. Unfinished Business
8. New Business
9. Ratification of Budget (if required and noticed)
10. Adjournment.

#### IV. BOARD OF DIRECTORS

**A. Composition.** The affairs of the Villas Association shall be governed by the Board. The initial Board shall be composed of one (1) person designated by the Developer who shall serve as members of the Board until the first meeting of the Villas Members of the Villas Association at which directors are elected pursuant to Section A of Article III. The conditions, limitations and restrictions set forth in Sections A through K, inclusive of this Article IV shall not apply to the initial Board or the members thereof, and said conditions, limitations and restrictions applicable to the initial Board shall be determined by the Developer; provided, however, (i) Section L of this Article IV shall apply to the initial Board; and (ii) this Article IV shall apply fully to directors elected at and after the first meeting of the members of the Villas Association.

After the initial Board, the following shall apply to directors:

1. The directors shall be Owners or spouses of such Owners; provided, however, that no Owner and his or her spouse may serve on the Board at the same time.
2. In the event that an Owner is a corporation, partnership, trust or other legal entity other than a natural person or persons, then any shareholder, officer or beneficiary or individual trustee of such trust, or manager of such other legal entity, may be eligible to serve as a director.
3. A director may succeed himself in office.
4. At and after the first election of directors, there shall be a total of five (5) directors.

**B. Term of Office.** The directors shall be elected as provided in Section F of this Article IV. Each director, except in case of death, resignation, retirement, disqualification or removal, shall serve until his or her successor shall have been elected and qualified.

**C. Removal of Directors.** At any regular or special meeting of the Villas Association duly called, any one or more of the directors may be removed with or without cause by a majority vote of the members of the Villas Association and a successor may then and there be elected to fill the vacancy thus created. Any director whose removal has been proposed by the members shall be given at least ten (10) days' notice of the calling of the meeting and the purpose thereof and shall be given an opportunity to be heard at the meeting.

**D. Vacancies.** Vacancies in the Board caused by any reason, but excluding the removal of a director by vote of the Villas Association, shall be filled by a vote of the majority of the remaining directors, even though less than a quorum, at any meeting of the Board for the remainder of the term of the director being replaced. Said director shall serve until a successor shall be elected at the annual meeting of the Villas Association to fill the unexpired portion of the term.

**E. Nomination.** Nomination for election to the Board shall be made by a nominating committee which shall consist of three (3) members of the Villas Association appointed by the

President of the Villas Association (who may but need not be members of the Board) to serve from the close of one annual meeting to the close of the succeeding annual meeting. Such appointment shall be announced at the annual meeting. The nominating committee may nominate any number of qualified individuals, but no less than the number of directors to be elected. The nominations shall be made at least twenty-one (21) days prior to the annual meeting and a brief statement about the qualifications of each individual nominated shall be included with the notice of the annual meeting. Nominations shall also be allowed from the floor at the meeting. Failure to comply with the provision hereof shall in no way invalidate the election of directors so nominated.

**F. Elections.** The first election of directors shall occur at the first annual meeting of the members of the Villas Association pursuant to Section A of Article III. Until such time, the members of the Board shall be the initial Board appointed by the Developer. At the first annual meeting of the members of the Villas Association and thereafter, the Owners shall be entitled to vote for directors and the candidates receiving the highest number of votes with respect to the number of offices to be filled shall be deemed to be elected.

**(Amending Fencing Restriction on Lots in the Villas at Hidden Meadows)**

This Amendment No. 3 to Declaration of Covenants, Restrictions and Easements Hidden Meadows Subdivision is executed and entered into this 16<sup>th</sup> day of April, 2015, by **PRIMOS LAND COMPANY, LLC**, a Tennessee limited liability company, (hereinafter referred to as "Developer"):

**W I T N E S S E T H:**

**WHEREAS**, Developer has developed the Hidden Meadows Subdivision shown on plats of record as instrument numbers 201308300015220 (Final Plat) and 201405230066494 (Unit 1 – Phase II), each in the Register's Office for Knox County, Tennessee. To restrict and assist in the orderly development of the Hidden Meadows Subdivision, Developer executed and caused to be recorded in the Register's Office for Knox County, Tennessee that certain "Declaration of Covenants, Restrictions and Easements Hidden Meadows Subdivision" dated December 3, 2013 and recorded December 5, 2013 as instrument number 201312050034998; amended by "Amendment No. 1 to Declaration of Covenants, Restrictions and Easements Hidden Meadows Subdivision" dated June 19, 2014 and recorded June 20, 2014 as instrument 201406200071895 and "Amendment No. 2 to Declaration of Covenants, Restrictions and Easements Hidden Meadows Subdivision" dated November 14, 2014 and recorded November 20, 2014 as instrument 201411200028501 (hereinafter collectively referred to as the "Declaration"); and

**WHEREAS**, pursuant to Section 10.01, Developer desires to further amend the Declaration's additional restriction related to fences on Lots in the Villas at Hidden Meadows added by Section 8(c) of Amendment No. 2 to Declaration of Covenants, Restrictions and Easements Hidden Meadows Subdivision.

**NOW, THEREFORE**, the Developer makes the following amendment to the additional restriction on fences applicable to Lots in the Villas at Hidden Meadows and such Lots shall be held, transferred, sold, conveyed, and occupied subject to the revised restriction as hereinafter set forth:

1. Section 8(c) of Amendment No. 2 to Declaration of Covenants, Restrictions and Easements Hidden Meadows Subdivision shall be deleted in its entirety and the following language inserted in lieu thereof:

(c) Only arched-top shadow box style fences may be erected on Lots in the Villas at Hidden Meadows. The location of all fences must be approved, in advance, by the Developer or Architectural Review Committee. Fences erected on Lots 143-156 must tie into the existing fence installed by the Developer at the rear of these Lots. There shall be no more than one fence located on or near the side property lines of adjoining Lots. Accordingly, if there is an existing fence located on or near a side property line of a Lot, an Owner wishing to erect a fence on the adjoining Lot must tie into the existing fence between the adjoining Lots and the Owner of the

existing fence must permit the adjoining Lot Owner to tie in to this fence. All fences must be uniform in height and appearance and shall have a front access gate of at least five feet (5') in width to allow easy access for mowing. To further facilitate access for mowing, Owners must keep their yards free of pets, toys, furniture or any other obstacle on mowing days.

2. All capitalized terms used herein which are not specifically defined herein shall have the meaning set forth in the Declaration. As used in this Amendment No. 3, the phrase "Villas at Hidden Meadows" shall mean the land shown and described on the Villas Plat and Villas Legal Description attached as Exhibit A to Amendment No. 2 to Declaration of Covenants, Restrictions and Easements Hidden Meadows Subdivision, along with any Additional Property that is expressly included as part of the Villas at Hidden Meadows by subsequent amendment to the Declaration.

3. Except as specifically amended and/or supplemented hereby, the Declaration shall remain in full force and effect, subject to the rights of the Developer to further amend or modify the same to the extent permitted and provided in the Declaration. This instrument may be amended, modified, repealed or terminated to the same extent and as provided in the Declaration.
