

**2017  
BUILDING CAMPAIGN &  
SCHOLARSHIP ENDOWMENT**

The Foundation Board would like to thank you for your interest in the ongoing efforts of the Rufus H. Smith, Jr. Housing Foundation. Your contributions are more than generous. We look forward to seeing old friends and new supporters at the 2016 tournament.

The Foundation remains dedicated to its goal of making home ownership opportunities available to employees of the construction industry. If you know an employee who might qualify for first time home ownership, please call Traci Smith for an application at 865-694-6100 or e-mail Traci Smith at [Traci@southlandco.com](mailto:Traci@southlandco.com).

The Foundation continues to support higher education by funding Construction Engineering Scholarship Endowments at East Tennessee State University and at Pellissippi State Community College. We are providing educational opportunities for the next generation of housing industry leaders.

We continue to make an investment in the future of the building industry.
